THIS, BUT

AFTER IT'S

THERE'S A
LITTLE OF A
TRICK TO IT

I HAVE TWO

BE UNPLEASANT
IF YOU

afterword

BOW

When I tried to
write a story with
my own devotedly
moe theme, this is
how it turned out. This
is a delicious, dreamy
story that includes the
beauty inverted nipples
that come in and come
back out with a hint
of eroticism in
the air.

One Secret
Two Secrets

Let for this to
become the
drama story...

Moe
Points

My First Comic!

One of my dreams has
wound up coming true.

I owe everything to everyone
who assisted me and
everyone who read it.

Truly, thank you very much!

Swawawa!

Let me keep
dreaming!

At first I planned to make sets a capable, but slight precocious subordinate, but when I think about he just became an incompetent dog. The last trace of that is in the character outline on the back cover...

Because the time between drawing "Lyric" and "This Lover" was pretty long, U's face ended up becoming that of a different person...

Lyric and Credits and This Lover Together

This is the first work I was allowed to draw in a commercial magazine. As a result of my enthusiasm and fruitlessly spinning my own wheels, this wound up becoming a tortuous memory of drawing characters that I had not drawn before.

Another One in the World!

These two seem like they will take sudden and very different paths in the future.

Once again, to the people who helped me, who is always extremely inefficient, friends, acquaintances, family, and supervisor—same my deepest gratitude!

If readers were to find a part that they enjoyed even slightly within this work, which was possible due to the assistance of many people, I would be happy.

Thank you very much for reading until this point!
